Vincent Boucher

B. Sc. Theoretical Physics, M. A. Government Policy Analysis,
M. Sc. Aerospace Engineering

Management Consulting | Executive Coaching | Private Equity | Luxury Photography | Keynote Speaker | Governance

PROFILE

A renewal of the Renaissance ideals with precision engineering, Vincent Boucher is a professional skilled catalyst versed in management consulting, innovative research, high financial engineering, international luxury scene (***Guinness World Records***™), leveraged buyouts and private equity where he is perfectly suited to the fast pace.

The artist is distinguished from any competition in luxury photography and film (*4k, 3D, etc.*) for that special breed of high net worth corporations and renowned luxury brands who will never settle for less than they can be.

Vincent Boucher, *B. Sc. Theoretical Physics, M. A. Government Policy Analysis and M. Sc. Aerospace Engineering*, is one of the leading executive coach and keynote speaker for private, corporate and public conferences, conventions and events, earning a well-deserved reputation on a truly global scale.

" Truly professional of the highest order. -- You can't afford not to meet Vincent Boucher . . . "
