# HOW TO BUILD THE :

## " World's Most Desirable & Fast Growing Luxury Brand " FROM NOTHING

[Born July 8, 1973 in Québec City,  
Québec, Canada]

10 years of living like on a black high-  
way (Sept. 8<sup>th</sup>, 1981 – June 21<sup>st</sup> 1991) |  
Formerly a frail kid raised by youth cen-  
ters and social welfare families, Vincent  
Boucher has done his first grade twice as  
well as his seventh grade. Until age 14,  
Vincent Boucher faced a nightmare.

*" His thinking process is rather weak. "*

– Mont d'Youville Youth Center, Quebec

*" The father of the welfare family used to  
raise his hand on the children. "*

– Quebec Social Service Center

Resilience | In May 1988, he found in the  
recycling bins some books on medicine,  
nutrition and intellectual pursuits.

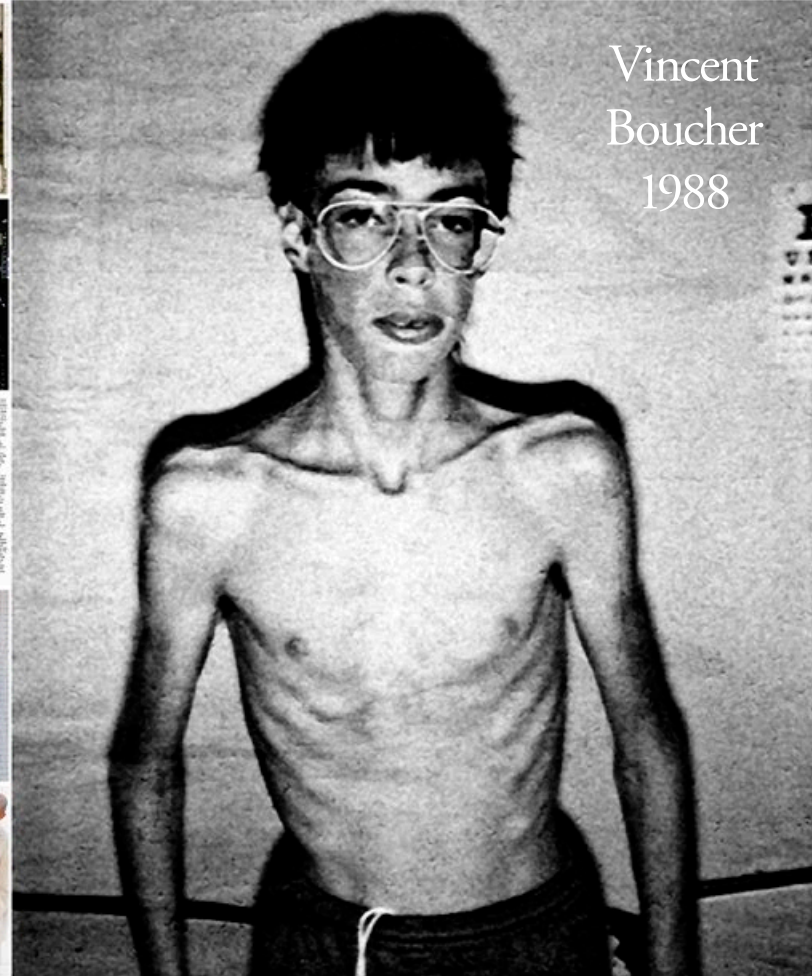

*" It was involuntary; they sank my boat. "*

– John F. Kennedy, when asked how he'd  
become a hero

At this moment, Vincent Boucher decided  
to take his life to a whole new level.

*" You got a dream... You gotta protect it.  
People can't do somethin' themselves, they  
wanna tell you you can't do it. If you want  
somethin', go get it. Period. "*

How to Build World's Desirable Fast Luxury from ...  
to the Most & Growing Brand Nothing

## The most important industrial revolution in History

### The Genius for Self-Reinvention

**1993 | Courage, Determination and Strength** | In 1993, Vincent Boucher took only 29 minutes (of the 3 hours allotted ...) to win, 1<sup>st</sup> 100 % score ever, the *Ordre des chimiste du Québec* competition.

In 1996, Vincent Boucher completed a *B. Sc. Physics* in one year, followed by a *Master's degree in Polics Analysis* [1998] and *Master's degree in Aerospace (Space Technology)* [2000].

He saw the world in entirely new ways, transcending limits while on a journey of courage and inner-strength.

From 2000 to 2002, Vincent Boucher's efforts provided Strategic Intelligence services for the *Canadian Space Agency*.

To fund selected Humanitarian projects that will define the arts, the sciences and the humanities of the 21<sup>st</sup> century, he also created, in 2003, Billionaire Business Enterprises.

Endowed with extraordinary creative-thinking abilities, razor-sharp focus and with a brain functioning at the farthest edge of human capacity, he started researching the \$350 billion / Year international fine art & precious stones market based on his deep studies of Aerospace Engineering, Cosmology and Theoretical Physics : *Physics of the Universe*.

**2013 | Many-Worlds Jewellery : A tribute to the Creation of Earth** | Bringing contributions by scholars recognized as the foremost authorities in their fields, *Many-Worlds Jewellery* is ahead of a trend that will profoundly impact the \$350 billion / Year international fashion, fine art & jewelry industry.

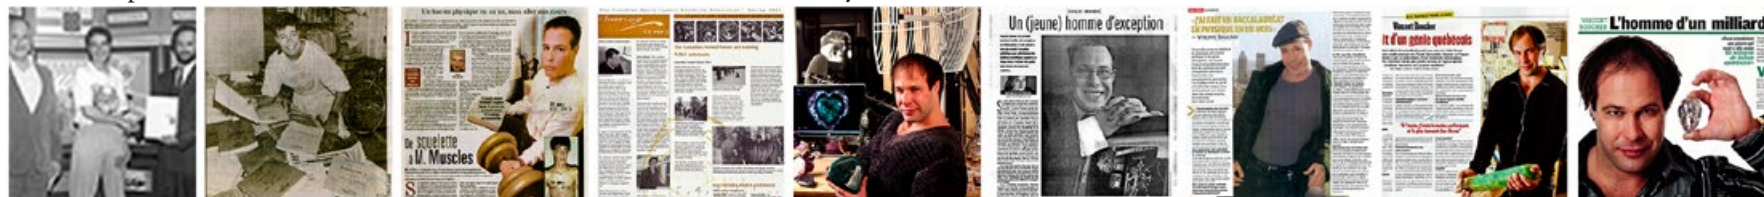

“ Legacy is greater than currency. ”

– Gary Vaynerchuck

### Seeing Things from a New Vantage Point

**2003 | A Renewal of the Renaissance Ideals with Precision Engineering** | In 2003, Vincent Boucher created the Intelligence Foundation, a cogent growing force of connoisseurs, highly educated and ultra-affluent leaders inspiring, supporting and training the individuals who will shape the arts, the sciences and the humanities of the 21st Century.

Philanthropist Vincent Boucher's *Many-Worlds Jewellery* exalts the purest and most beautiful creations on a truly global scale, spreading across a landscape expected to soon be **THE MOST IMPORTANT INDUSTRIAL REVOLUTION IN HISTORY.**
